# Waterslide

TRUCAL® IS OUR SUPERIOR WATERSLIDE DECAL PAPER FOR CERAMIC AND GLASS

For over 150 years, we have maintained our market leading position and continue to work with some of the world's most prestigious brands in producing luxury ceramic and glass products.

**Trucal®** is the market leading range of decal papers from Tullis Russell. It is available in several weights and has been developed to suit wide range of ceramic and glass applications.

Thanks to years of experience and a technical understanding of customers requirements, we have created the market leading range of high-quality waterslide decal papers. Our transfer papers are relied upon throughout the world to give consistent printing, problem free application and outstanding decoration results.

## Waterslide Decal Makeup

1. **trucal®** paper
